

Defend • Rescue • Deliver

Defend the cause of the weak and fatherless;
maintain the rights of the poor and oppressed.
Rescue the weak and needy,
Deliver them from the hand of the wicked.

- Psalm 82:3-4

As God's people, we are commanded to defend the weak and rescue the needy. So where should we begin? Who is dying around us?

According to recent statistics from CDC and the Guttmacher Institute, the leading cause of death in our nation is abortion – not just among infants, but among the deaths of the entire US population. More than 850,000 abortions were performed in 2017.¹ Between 1973 and 2019, more than 61 million legal abortions were performed², and more are dying every day.

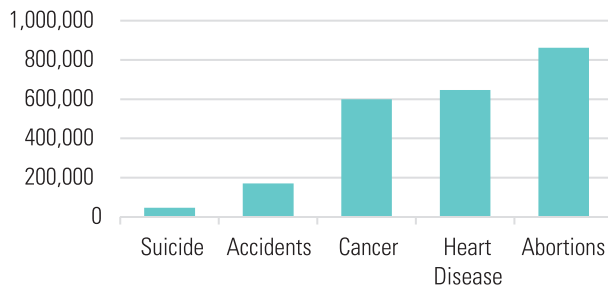

God has called us to defend the weak and fatherless. Please volunteer, pray, donate or invest to become a Champion for Care Net to rescue families in our community. Contact us if you would like more information.
