

Merry Christmas!

Have you ever thought that God's sacred story of Christmas began with an unplanned or even a crisis pregnancy? In a way, Mary was much like many who come to Care Net. She must have been terrified to tell her parents, fiancée, and friends - she was pregnant - just like a young woman we served the other day. Mama J said, "if I tell my mom I'm pregnant, she will kick me out." We are still praying she will choose life. The same week another mama chose life by canceling her abortion appointment once she saw her baby's beating heart. God LOVES life, and you are a part of these lives being saved and changed at Care Net.

It is with *Great Joy* to share that God has provided Care Net Pregnancy Center of IRC with a new home in a beautiful building. The Center has desired to move into a more prominent and visible facility for many years. The building is in the perfect location, two blocks west of the hospital and, as some say, on "Medical Mile."

Miraculously, God led us to the building in July, leading to its purchase on December 7, 2022. A goal of \$2 million was set to purchase and renovate the property. Almost \$1.8 million has been raised from just 61 generous Care Net Champions to date. We invite you to participate with the leading donors in this *once-in-a-generation* opportunity, our "More than a Move Capital Campaign." We have just over \$200,000 left to raise for the renovations so we can get into the building as soon as possible. Another idea is donating gift cards from Home Depot or Lowes to use for the supplies if that works better for you.

Over \$1.8 million raised!

This is so much more than a move; it will allow this ministry to save more babies' lives, spare more women and men the pain of abortion, and share the Gospel of Jesus Christ with even more broken and hopeless people. That is why it is more than a move! As you remember the "wonder" of Christmas, please prayerfully consider how the Holy Spirit wants you and your resources to be a part of this ministry that is moving into a new season! If you have already done your charitable giving for 2022, we would be grateful if you considered Care Net in Q1 of 2023.

We are looking for skilled volunteers who can help with the renovations. As always, please contact me with any questions, and I encourage you to call me to schedule a tour of Care Net's new home at your convenience.

For Abundant Life,
Bonnie Martinelli,
Executive Director
772-539-1667

Remember
the wonder of Christmas...

Examples of Designation Opportunities

Space or Item	Estimated Cost
New Group Training Space	\$ 15,000
Community Conference Room	12,000
Reception Area	9,000
Ultrasound Exam Room	6,000
Employee Breakroom	5,000
South Side Volunteer Workstations	5,000
Counseling Room	4,000
Staff Office (Average)	4,000
