From the Executive Director

The first word that comes to mind when I think about Care Net is LIFE. Think about it, LIFE. The next word that comes to mind is LOVE. God LOVES LIFE. There are no more precious gifts than the gift of physical and eternal life. In 2022, 114 Care Net babies were born physically to parents who received education and encouragement. And 30 women and men were spiritually born and are getting disciplined! It is LOVE that saves lives!

Because of your partnership and love towards Care Net, you are a part of the lives saved!

-Bonnie Martinelli, Executive Director
