Vote NO on Amendment 4 in Florida

This November, Florida voters will be voting on Amendment 4 regarding abortion. There are Pregnancy Resources Centers like your local Care Net all across Florida who are encouraging people to VOTE NO on 4. This amendment is concerning and deceptive. If Amendment 4 passes, then women from surrounding states will be coming to Florida because ABORTION WILL BE LEGAL UP TO BIRTH, AND TEENS WILL BE ABLE TO GET AN ABORTION WITHOUT PARENTAL CONSENT!

Student Services Director

Care Net hired a new **Student Services Director**, **Alli Cafeo**! Alli has experience working for the pro-life ministry, Let Them Live, where she worked directly with women who were considering abortion. Because of her efforts, 28 lives were saved. We're excited to have Alli on Care Net's team! We are also partnering with First Priority, a Christian Club

Alli

in middle and high schools dedicated to sharing the Gospel, the hope of Jesus and connecting students to churches. Through the new partnership, Care Net is present on school campuses, making a positive impact in students'

lives. In May, Alli visited six schools where she introduced herself to 186 students! Clubs have started back this fall and Alli continues to build relationships with students and teachers.

Embrace Grace

Local churches host 12-week Bible Studies for single women with unplanned pregnancies. Afterwards, the church throws a beautiful baby shower for them. Many clients have been in awe that "strangers" shower them with love and baby items. This program helps women connect to church families. **If your church wants to get involved, contact Bonnie at 772.539.1667**
